

**DATE:       APRIL 12, 2006**

**TO:         ALL PROSPECTIVE BIDDERS**

**RE:         M.V ISSAQUAH DOCKSIDE PRESERVATION**  
**CONTRACT NO. 00-7128**

**ADDENDUM NO. 1**

**IFB CANCELLATION**

Washington State Ferries (WSF) hereby notifies prospective bidders that the bid process for the subject Contract is cancelled. WSF intends to re-issue the project Invitation For Bids (IFB) at a later date, estimated to be at least a year from now.

The IFB cancellation is due to the recent drive motor casualty on the M.V. Elwha. Because the M.V. Elwha will not be available to meet WSF's service requirements during the repair period, the M.V. Issaquah will become the replacement vessel for such service.

Thank you for your time and effort expended on this project. The IFB cancellation is an unfortunate but necessary decision. WSF will refund the bid package fee to all planholders who purchased the IFB package.

Sincerely,

Tim McGuigan  
Director of Legal Services & Contracts
